

**Instructions to candidates / message**

It has come to notice that you have entered the options for Farm Science courses even after exercising the choice 1 or choice 2 for AYUSH Courses. Hence you are informed to confirm your options entered for farm science courses. If you are not interested in Farm Science courses and willing to continue in AYUSH, log in to KEA option entry portal and delete all the Farm Science options on or before 4:30PM today(25-09-2018).

In case if you get a seat allotted in the Farm Science course then you will not be permitted to continue with AYUSH course including participating in the second round.
