2ND ROUND - PROCEDURE

A. NOTE TO CANDIDATES WHO HAVE EXERCISED CHOICE-2 IN THE FIRST ROUND

- Choice -2 candidates are participating in the Second round by holding the seat allotted to them in the first round.
- The seat allotted to the candidate in the first round will be considered as last option in the second round.
- If better options are allotted to them, the earlier seat will automatically stand cancelled. OR if any of the Options are not allotted, then the seat allotted to them in the first round will remain with the candidate.

IMPORTANT: The last saved options in the first round will remain same even for this second round of seat allotment. The candidates will not be allowed to enter options again. Option Entry done before the first round will be the final list of options. The priority of options entered by the candidate will be shown on the option entry module by obtaining the candidate credentials. The candidate will be allowed to add new options for any new colleges or course that came into the seat matrix after the first round. Candidates who are participating in this round mean they are looking for better seat than the allotted seat in the earlier round. If the candidate does not get any seat in this round then the seat allotted to him / her in the earlier round if any stands confirmed.

- i. The priority of options entered by the candidates will remain same even for this round also.
- ii. Candidates are advised to modify / delete / re-order the options they want to select whether the seats shown in the seat matrix or not, only for the reason that consequential vacancies may arise during allotment process and the candidates will have a chance of getting a better seat if they have entered the options.
- iii. All the above higher order options will be considered for allotment of seats. Think that, if a candidate has been allotted a seat in the second round for his / her 78th option, all the above higher order options means, option number 1 to 77 will only be considered for allotment.
- iv. All the lower order option from 79 to the last entered options will not be considered for allotment.
- v. Candidate can modify / alter / re-order the priority of options from 1 to 77.
- vi. If any of the options from 1 to 77 is available in the order of merit then computer will allot the seats to that candidate and automatically the earlier allotted seat will be get cancelled and added to the seat matrix and it will be offered to the next candidate in the order of merit.
- vii. If a candidate fails to get any of the options from 1 to 77 then the seat allotted to him / her in the first round for 78th option will remain with him / her.
- viii. Always, the computer starts from the option 1, so that the candidate will get the best of the best options entered by him / her. (Options 1 to Option 77)

- ix. Candidates should not claim any ignorance on allotment of seats and they should not reject the allotted seats since the seat is allotted to candidates based on the options entered by them and order of merit.
- x. For any reason candidates will not be allowed to continue in their earlier allotted colleges. As already informed the earlier allotted seat will not be in their favour and therefore such candidates should invariably report to the allotted colleges.
- xi. If the candidate gets a seat in the colleges entered by him / her in this round, the seat opted by him / her in this round will be confirmed and the seat held by him / her in the earlier round will get cancelled automatically.
- xii. Please note that if any seat gets allotted in this round as per merit and options entered by the candidate, there is no chance of getting back the earlier allotted seat.

NOTE: Consequential vacancies that arise after their turn cannot be claimed.

B. NOTE TO CANDIDATES WHO HAVE EXERCISED CHOICE-3 IN THE FIRST ROUND

Choice-3 candidates are participating in the second round by rejecting the seat allotted to them in the first round.

Further, for choice 3 candidates, all the already entered options will be displayed on the option entry sheet except the allotted option.

Candidates can re-order / delete / alter / modify the already entered options.

NOTE: Chances of getting the lower order options is subject to availability of seats as the other candidates next to your rank might have entered those options and seats would be allotted to them based on merit.

C. NOTE TO CANDIDATES WHO HAVE NOT ALLOTTED ANY SEAT IN THE FIRST ROUND

The candidates who have not been allotted any seat in the first round are also participating in the second round. All the already entered options will be displayed on the option entry sheet. Candidates can re-order / delete / alter / modify the already entered options.

NOTE: The candidates are advised to strictly adhere to the above said rules. Lenience in any matter explained above will not be entertained.
