

Instructions to Candidates – PGET – 2018

1. Online Registration is enabled. Candidates may please note that this is the final chance to candidates to get register, verification of documents and to submit the original documents to become eligible for further seat allotment through KEA.
2. There will not be any further either online registration or verification of documents will be conducted for both Medical and Dental courses as notified earlier.
3. The eligible candidates who have already verified their documents but not submitted the original documents can submit the originals on 2nd or 3rd May 2018.
4. The candidates, who are now eligible due to lowered percentile by the GOI, can register through online for both Medical and Dental courses and attends the document verification with all the necessary original documents.
5. The candidates who were eligible earlier before the lowering of percentile, but could not register or verify their documents, can register now and get their documents verified.
6. The candidates who have already registered with KEA but could not attend the verification process will have to re-register again and pay the registration fees if they are interested to participate, however the application fees paid earlier will be refunded.
7. Payment of registration fees should not be done through Credit Card.
